\$

You **HAVE** **HAVE NOT** been provided with a savings estimate based on your contract.

If the seller provided you with a savings estimate, the seller: **IS** **IS NOT** guaranteeing these savings.

Contact your electric company for more info on rates and potential savings.

You **HAVE** **HAVE NOT** been provided info on tax credits/rebates.

You may or may not be eligible for those tax credits/rebates. Talk to a tax professional for more info.

OTHER IMPORTANT DETAILS

-  Seller **WILL** **WILL NOT** place a lien on your home as part of entering the contract.
-  Seller **WILL** **WILL NOT** file a fixture filing on the system. A **fixture filing** gives the company the right to take back the system if you fail to pay per the contract.
-  System **WILL** **WILL NOT** be connected to the electric grid.
-  If you sell your home, you **ARE** **ARE NOT** allowed to transfer the system/contract to a new home or property.
-  In terms of your system, the seller is providing you with a:
 System performance or production guarantee. Other type of system guarantee. No guarantee.
-  You **ARE** **ARE NOT** responsible for insuring the system. If so, contact your insurance company to discuss your policy.

WAITING PERIOD

If you are 70 years or older, the seller must provide a written copy of the contract to you at least three days before it is signed.

RIGHT TO CANCEL

You have 10 days to cancel the contract with no penalty or fees. The 10-day period starts when the contract is signed. You may also cancel under certain events. See your contract for more information.

COPY OF CONTRACT

The seller must give you a copy of the complete contract. If you agree, they can email the contract to you. You should read the whole contract before signing. If you don't understand any of the terms, talk to an attorney.
